

2016-2017 Board of Directors

President

Sean Barbina
Architect, CSI CDT,
LEED AP BD+C, ACI

330.678.6144
sean@dsarchitects.net

Sean has been practicing in the field of Architecture for 12 years. He brings an ability to truly listen to the client's desires, creatively solve problems, and give shape to the client's vision for a project. Through his combination of architectural and general contracting experience, he has gained an understanding of Local, State and Federal processes. This unique background enables him to excel as head of DS Architecture's Police, Fire and Administration Studio.

Past President

Tom Pekoc
AHC, CSI/CDT, IIDA

216.297.9940
TPekoc@dss-mi.com

Tom is an Architectural Hardware Consultant (AHC) as certified by the Door and Hardware Institute (DHI) and a Certified Document Technician (CDT) as certified by the Construction Specification Institute (CSI). He has been in the door and hardware industry for over 30 years and consultants with architects, engineers, integrators and owners in regards to their door and hardware needs. He is up to date on current fire & life safety codes and specializes in access control applications. He is a Door Opening Consultant (DOC) with ASSA ABLOY Door Security Solutions. ASSA ABLOY is the global leader in door opening solutions

330-928-2155
rstroh@wltuckersupply.com

Ron graduated From Bowling Green State University in 1988 and began working for Stark Ceramics in East Canton. he joined the W. L. Tucker Supply Company in 1993 and is currently their Treasurer/Secretary. Ron is married to Charlotte and has a Son and Daughter.

Director

Dorothy Hazinski
CSI

330-353-3850
dorothy.hazinski@benjaminmoore.com

Dorothy is the Architectural Design Representative for Benjamin Moore & Co. She has worked in the paint industry for over 30 years. Previous to Benjamin Moore, Dorothy held the position of Senior Technical Manager for a large coatings manufacturer with laboratory experience in research and development. Her vast experience allows her to trouble shoot field problems and find solutions. Representing premium and high quality products, Dorothy is able to provide expertise and education to the Architectural Design community.

Director

John A. Anderson
CSI, ICRI

216-721-2050 (x2)
janderson@specrete.com

John has been active in the construction industry for over 35 years. He is currently President of Specrete-IP Incorporated, a manufacturer of specialty grouting additives mainly used in the deep foundation industry. Specrete also has an independent rep division, representing W. R. Meadows, Keene Building Products, Keim Mineral Coatings and others. John has been active in CSI for many years and is a Past-President of the Cleveland chapter.

Director

Mike Childress
CSI, ICRI, RCI

330-714-6900
mike@chilcoreps.com

Mike Childress has spent the last 28 years in the construction industry, as an applicator and sales and marketing of waterproofing and repair materials. He held several positions with the Sika Corporation over his tenure of 12 years, including Technical Service Manager for the Central US Region, Product Field Marketing Manager for Sika's line of Structural Strengthening Systems, and Northern Ohio Territory Project Sales Representative. His independent rep firm, ChilCo Diversified, focuses on premium material solutions for the repair, protection and preservation of concrete and masonry structures.

Director

Lee King
CSI, CDT, LEED AP

330-418-4886
lking@solharrisday.com

Lee has more than 25 years of experience in the architectural/construction profession. For the past 16 years, he has been at SôL Harris/Day and worked previously at Diekmann-Zezulewicz Architects, Inc. He previously worked directly in the construction field and credits this hands-on experience for his attentiveness in developing construction documents and performing construction administration duties. Lee lives near Orrville, Ohio with his wife Michelle and daughter Raigan. During his spare time, Lee likes to spend time with family, golf, travel and camp to enjoy the outdoors.
